On Saturday June 27th, 2015, at approximately 0654 hours, I was asked by Sergeant. T. Henkel #290 to conduct an investigation at 612 SE Starflower Ave in reference to a single family home zoned for residential use being used as a "Half-way" house.

Officer M. Connor #452 was asked to conduct a similar investigation at a house across the street located at 601 SE Starflower.

I ran the address on the Saint Lucie County Property Appraiser website and it shows it as a residential zone, and the home owned by a Phong C Nguyen. I attempted to locate more information on a Phong C Nguyen using FCIC/NCIC and DAVID, but I could not locate a DL number or date of birth. I located a 35 to 39 year old male by that name at the address on file for the property appraiser using whitepages.com with a telephone number.

Upon arrival I saw a white dodge van in the driveway bearing Florida registration X6155B being registered to Good Samaritan Ministries. I conducted a knock and talk, and from the walkway of the house, I could see into an open window where I observed at least 3 sets of bunk beds for a total of 6 beds.

An unidentified white male answered the door, and I explained the reason why I was there. He said I should go talk to a Patrick who was at 601 Starflower and was supposed to be in charge of both houses. While I spoke with the white male, he said that he had been staying there at least two weeks, and that there were at least 7 people living in the house with him. I asked him if there was a fire alarm and sprinkler system in the house, and he said "I don't think so."

Another black male came to the door and he said his name was "Joe." He asked me why I was here, and I explained that Code Compliance wanted us to conduct an investigation and make sure the home was following certain guidelines for the safety of the persons staying in it. He asked if I had a warrant, and when I explained I did not, he said "I don't think the cops should be going into a persons home without a warrant, have a nice day." Both men entered back in the house and closed the door.

At this time Officer Connor was speaking with a Patrick Maurice Leo Pinal at 601 Starflower. Patrick said he was the caretaker for both houses, and had already spoken to Code Compliance. Patrick told Officer Connor and Sergeant Henkel that he felt that Code Compliance did not give them enough time to come into compliance, and wanted to seek legal council.

Based on these circumstances, Officers left both properties as we were asked to leave.
